### **What is Colleagues with Colleagues?**

The Somerset Local Dental Committee is pleased to announce that we will be hosting another Connecting with Colleagues Forum. Connecting with Colleagues is an energising, interactive forum for Dentists working in practice. It is an opportunity to gather together in an informal stimulating environment for mutual learning and support. We will discuss within the forums all your important clinical, professional and management issues, and enable you to engage with your colleagues in Somerset.

### **Our November 2015 Forum**

We will be joined by **Gerry Gallacher, a Dentist and Sport Osteopath at the University of Bristol Sports Medicine Clinic**. Gerry Gallacher will be discussing '**Back Pain-Time to look after yourself**', which will cover the wellbeing of Dentists, how to reduce stress in Practice and improve your overall wellbeing in the dental workplace.

Gerry Gallacher qualified as a dentist from the University of Dundee in 1986, and spent a year in postgraduate study at the Baltimore College of Dental Surgery, University of Maryland.
