### **What is the 'Connecting with Colleagues' Forum?**

The Somerset Local Dental Committee will be hosting the next 'Connecting with Colleagues' Forum on 19th July 2017.

What is 'Connecting with Colleagues'? The forums are energising, interactive events for Dentists working in practice. It is an opportunity to gather together in an informal and stimulating environment enabling mutual learning and support. Within the forums, we will discuss all your important clinical, professional and managerial challenges, while at the same time giving you the opportunity to engage with your colleagues in Somerset.

At our July 2017 forum, we will be joined by **Dr. Martin Fulford, Professional Dental Lead, NHS England South**, who will be discussing '**Prescribing Anti-Biotics**' and also by **Dr. Andy Sprod, Director, Primary Care Dental Services** who will be discussing '**Getting to know the PCDS**' including discussions on '**How to refer, referral acceptance and rejection criteria, the life of a referral letter, and the proposed pilot regarding the use of Talking Therapies and Managing Dental Anxiety/Phobias**'.

**All attendees on 19th July 2017 will be accredited with 2 Hours CPD**

### **How can I attend the 'Connecting with Colleagues' Forum?**

If you are interested in attending, please contact **Hannah Pike** by emailing [hpik@ascend-cm.co.uk](mailto:hpik@ascend-cm.co.uk). If you have any queries please contact **Hannah Pike** or **Somerset LDC** via the website [www.somersetldc.org](http://www.somersetldc.org)

Please note that the 'Connecting with Colleagues' forums prove to be very popular and therefore places will be allocated on first come, first served basis.

**The Somerset Local Dental Committee looks forward to meeting you at the 'Connecting with Colleagues' forum.**
